

Village of Cement City Planning Meeting Minutes

October 2, 2023

7:00 p.m.

Village Hall

Planning Meeting

In attendance at tonight's meeting was the following;

Karen, Rob, Jeff and myself.

We did go over the progress made on the 2023 update to the Master Plan. It is approximately half done but is taking longer than expected to compile all the updated 2020 census data. We may schedule one last meeting this year after it is complete to go over it before it is given to Council.

Attached is the first half of the 2023 Master Plan if anyone wanted to review it.

Rob did ask for an update on 319 Perrin as the owner now owns two homes across from him so the blight is spread across two properties.

We did schedule our next regular meeting for Monday January 8th at 7pm.
