

Village of Cement City Planning Meeting Minutes

June 5, 2023

7:00 p.m.

Village Hall

Planning Meeting

In attendance at tonight's meeting were the following,

Karen Vescelius

Rob Williams

Jeff Cratsenburg

Dustin Blakely

Thomas Polyblank

We did go over the 234 Woodstock St. Property to catch the committee up on what is going on with that and let them know there may be a special meeting setup when Pam Campau returns from her time away. We have begun collecting Census and other data that will go in the updated Master Plan for 2023. Dustin is attending a breakfast that will go over some of the data from the Target Market Analysis (TMA), which was funded by the ARPA grant through the Lenawee County Commission. I don't know how much of this data will pertain to our Master Plan but it could give us good insight on growth in and around the village.
